

**Full Moon Night Trips**  
**(June 18, July 18, Aug 16 & September 15)**

On the night of the full moon, each month we will be kayaking or canoeing at night. The trip will begin with a gathering at the canoe rental at 9:00 pm. From there, we will gear up and head out to Thornapple (High-Rollway) Boat Launch where we will settle into our canoes or kayaks for a moonlit trip down the river. About 20 minutes into the trip, we will pull off on 'The Island' where the guides will build a campfire and provide refreshments and the ingredients for S'mores (yes, you actually have to cook them – but we can help if you really need us too!) After the fireside fun, the group gets back into their canoes and kayaks to finish the last two hours of moonlight paddling. The sounds are amazing and the trip thrills all participants. This trip requires each attendee to bring a headlamp. The trip will end in Newaygo (back at your vehicle) and, although it is only a 2.5 hour trip, plan for at least four hours so you are not rushed. Note: Everyone is required to wear a life-jacket while in their watercraft and they will be provided, or you can bring your own.

**Cost:**

*\$50.00 / single kayak (includes kayak, PFD, Paddle, Transport and Refreshments.*

*\$75.00 / canoe (includes canoe, PFDs, Paddles, Transport and Refreshments.*

*\$80.00 / double kayak (includes kayak, PFDs, Paddles, Transport and Refreshments.*

*(Maximum of 20 people, so sign up early!)*
