

## **Our Alcohol Policy:**

**\*\*We prefer if you do not bring alcohol on the river at all\*\***

But, if you are going to drink alcohol,  
you are required to limit the amount you bring to:

**4 beers per *alcohol drinking person maximum.***

There is absolutely no glass or Styrofoam or  
Jello Shots (the containers are bad for the river) allowed and we  
reserve the right to search your cooler for glass and to  
check that you are following the limits of the  
alcohol policy.

Please understand this is to allow everyone  
to enjoy the river safely.

Thank you for your understanding.
